Description

Summary:

Saved filters can't be found by favorite filter search when using capital letters, saved filters are only selectable when there is nothing written in the search.

Steps to reproduce:

1. Go to <https://income-frontend.code-lab.it/invest>

2. Log in

3. Navigate to the Income page

4. Click on the "Filters"

5. Adjust filter parameters

6. <set filter as favorite>

7. Enter Filter name

8. <Save>

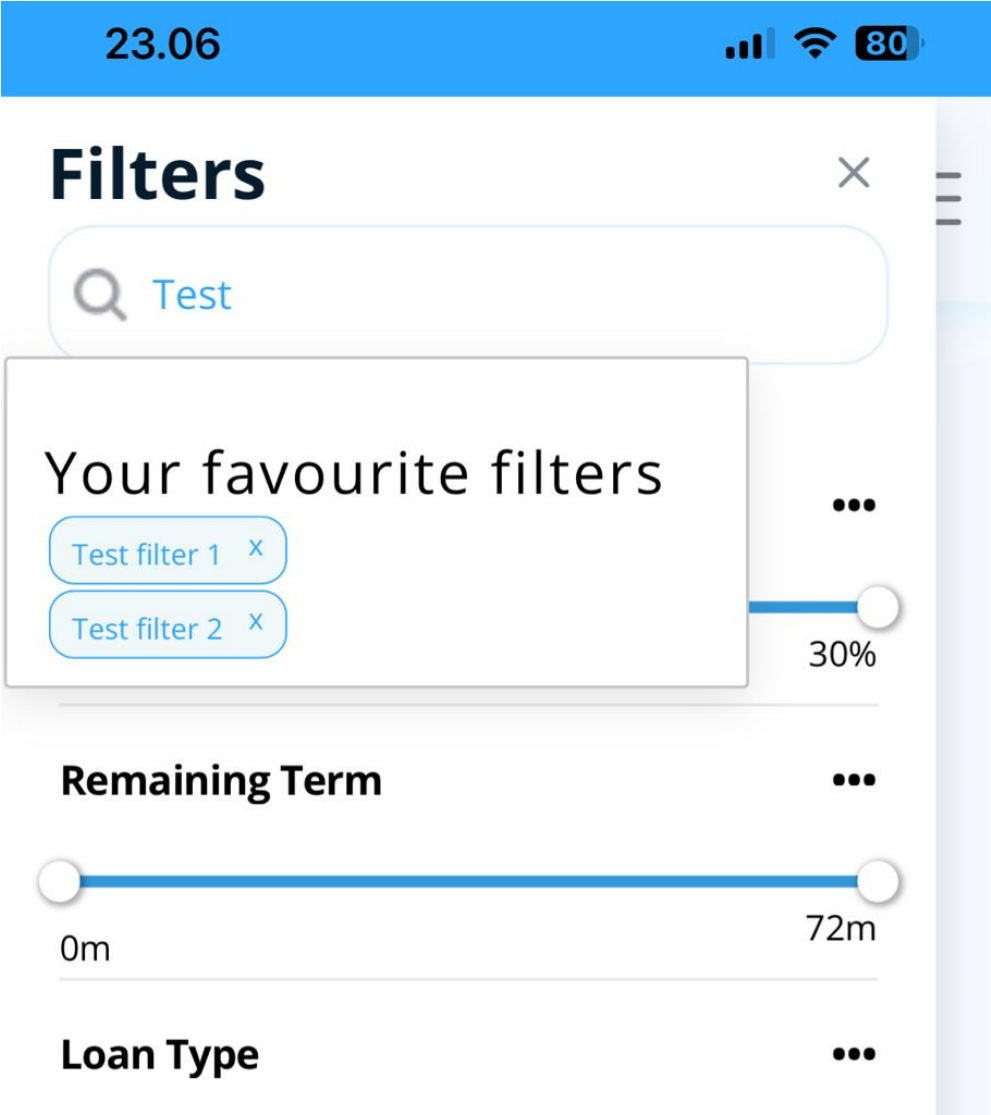

9. Select the search field "Search for your favorite filter"

10. Search for a filter by entering its name with capital letters

11. Select searched filter

Expected result:

Step 10: Entering saved filter name, it's shown in the list and can be selected.

Actual result:

Step 10: Filters name that's entered does not appear in the list
